PART II
WRECKSTAGE 2010

1. Definitions

“Company” means the party stated in Box 3.

“Contractor” means the party stated in Box 2.

“Services” means the services stated in Box 7.

“Vessel” means any vessel, craft, property, or part thereof, of whatsoever nature, including anything contained therein or thereon, such as but not limited to cargo and bunkers, as described in Box 4.

“Worksite” means the position of the Vessel stated in Box 6.

2. The Services

The Contractor agrees to exercise due care in rendering the Services which shall include, if applicable, the delivery and/or disposal of the Vessel. Insofar as it is not inconsistent with the nature of the Services to be rendered under this Agreement, the Contractor will also exercise due care to prevent and minimise damage to the environment.

The Contractor shall provide the Personnel, Craft and Equipment set out in Annex I of this Agreement which the Contractor deems necessary for the Services based upon the Specifications, Condition and Position of the Vessel and Worksite set out in Boxes 4, 5 and 6.

The Contractor's Method of Work and Estimated Time Schedule shall be as described in Annex II, utilising the Personnel, Craft and Equipment described in Annex I.

The Contractor shall consult with the Company if there is any need for substantial change in the Method of Work and/or Personnel, Craft or Equipment. In the event that time does not permit such consultation, or agreement to the proposed change(s) is unreasonably withheld, then the Contractor may proceed with such change(s). (See Clause 4 (Change of Method of Work and/or Personnel, Craft and Equipment) hereof).

The Contractor shall provide the Company or the Company Representative, if in attendance, with daily reports in accordance with Annex III.

The party identified in Box 7(ii) of this Agreement shall be given all reasonable assistance by the other party in connection with obtaining confirmation from the competent authorities that the Company has complied with any orders issued by them.

3. Company Representative

If reasonably required by the Contractor a representative of the Company will be available during the performance of the Services with the full authority to act on behalf of the Company.

In addition, the Company will provide at its sole risk and expense sufficient officers or their equivalents, who are fully conversant with the cargo system and/or layout of the Vessel, and who should be in attendance when reasonably required during the performance of the Services in order to provide advice as and when requested by the Contractor.

4. Change of Method of Work and/or Personnel, Craft and Equipment

The Lump Sum stated in Box 9 is based upon the Nature of the Services, as set out in Box 7, Method of Work, and Personnel, Craft and Equipment, as set out in Annexes I and II, and the Description, Specifications, Position, Condition of the Vessel and the Worksite, as set out in Boxes 4, 5 and 6.

- (a) If before or during the performance of the Services, and without fault on the part of the Contractor, there is a substantial change in the Services, and/or in the Personnel, Craft and Equipment required to undertake the Services due to any misdescription by the Company or error in the specification provided by the Company, upon

PART II
WRECKSTAGE 2010

which the Contractor has relied, or a material change in the position and/or condition of the Vessel or the Worksite:

- (i) The Contractor shall forthwith give notice in writing thereof to the Company and of the estimated additional costs to effect the Services;
 - (ii) Any and all substantial changes to the nature of such Services which are agreed between the Contractor and the Company shall be drafted into a variation order by the Company, which shall be signed by the parties;
 - (iii) The parties shall, without delay, consult each other to reach agreement on the amount of the additional costs to be added to the Lump Sum and any agreement shall be incorporated into the variation order. In the event that the parties are unable to reach agreement on the additional costs within 5 days of the Contractor providing details of the extra costs, either party may terminate the Services under this Agreement, without prejudice to any claim the Contractor may have under this Sub-clause 4(a), provided always that such termination is permitted by the competent authorities. In such event the Contractor is entitled to be paid all sums due at the time of termination in accordance with the provisions of Boxes 9, 12, 13 and 14. If permission to terminate is not given by the competent authorities the Contractor shall be paid by the Company at the Delay Payment Rate set out in Box 13 during any standby period, and the Company shall be liable for the Contractor's reasonable and necessary costs of continuing with the Services.
- (b) If, as a result of a material change in the position and/or condition of the Vessel or the Worksite, subsequent to entering into this Agreement, the Services become easier to perform in terms of the work and/or Personnel, Craft and/or Equipment requirements, then:
- (i) The Company may, subject to the provisions of Clause 10(c) hereof, seek a reduction in respect of the monies payable pursuant to Clause 10(a) hereof;
 - (ii) All such material changes which are agreed by the Contractor and the Company shall be drafted into a variation order by the Company, which shall be signed by the parties;
 - (iii) The parties shall, without delay, consult each other to reach agreement on the amount of the costs to be deducted from the Lump Sum and any agreement shall be incorporated into the variation order.
- (c) Alternatively either party may refer the matter to expert evaluation in accordance with Clause 17 (Expert Evaluation) or to arbitration or mediation pursuant to Clause 18 (Arbitration and Mediation) for a decision on the reasonableness and quantum of such costs, or the claim by the Company for a reduction in remuneration, which shall be incorporated into the variation order.

In the event the matter is referred either to expert evaluation or arbitration or mediation the Contractor will continue to provide the Services, without prejudice to any claim for an adjustment to the remuneration.

5. Miscellaneous

- (a) The Company shall arrange and pay for any marking of the Vessel and cautioning required. The Contractor shall arrange and pay for any marking or cautioning required in respect of its own equipment during the Services under this Agreement.
- (b) The Contractor may make reasonable use of Vessel's machinery, gear, equipment, anchors, chains, stores and other appurtenances during and for the purposes of these Services free of expense but shall not unnecessarily damage, abandon or sacrifice the same or any property which is the subject of this Agreement.
- (c) Subject to approval of the Company which shall not be unreasonably withheld, and subject to it being permitted by the competent authorities, the Contractor shall be entitled to remove, dispose of or jettison cargo, or parts of the Vessel, or equipment from the Vessel if such action is considered by the Contractor to be reasonably necessary to perform the Services under this Agreement.

PART II
WRECKSTAGE 2010

- (d) The Company will use its best endeavours to provide the Contractor with such plans and drawings of the Vessel, cargo manifests, stowage plans, etc., and such other information as the Contractor may reasonably require for the performance of the Services.

6. Permits

All necessary licences, approvals, authorisations or permits required to undertake and complete the Services without let or hindrance shall be obtained and maintained by the Contractor (see Clause 11(e)).

The Company shall provide the Contractor with all reasonable assistance in connection with the obtaining of such licences, approvals, authorisations or permits.

7. Delays

- (a) Adverse Weather and Other Delays

In the event that the Contractor is prevented from progressing the Services due to adverse weather or sea conditions in excess of the number of days set out in Box 15, or due to any other reason outside the Contractor's control, the Contractor shall receive from the Company additional compensation – per working day or pro rata – at the rate set out in Box 13, for the time the Contractor is delayed in commencing or continuing the Services with the customary progress.

- (b) Contractor's Equipment and/or Personnel

If there is a breakdown of any of the Contractor's equipment or non-availability of personnel, the Contractor shall consult the Company, or the Company Representative if applicable, to reach agreement on the amount of time lost as a result, if any. The Delay Payment Rate shall apply for the agreed period.

- (c) Hired-in Equipment and/or Personnel

The Contractor shall use its best efforts to ensure that an appropriate Delay Payment Rate is agreed in any sub-contract agreement in the event of breakdown of their equipment or non-availability of their personnel. If there is a breakdown of equipment or non-availability of personnel, the Contractor shall consult the Company, or the Company Representative if applicable, to reach agreement on the amount of time lost as a result, if any. The sub-contract Delay Payment Rate shall only apply for the agreed period if such Delay Payment Rate has been agreed with sub-contractors. The Contractor shall pass on to the Company the benefit of any off-hire or reduction in the rate of hire in respect of equipment or personnel hired-in by the Contractor.

- (d) The Contractor shall promptly advise the Company, or the Company Representative if applicable, of all periods when they consider that the Delay Payment Rate shall apply and shall at the same time confirm same in writing to the Company, or the Company Representative if applicable.

- (e) Sub-clauses 7(b) and 7(c) shall not apply for individual delays unless such delays exceed six (6) consecutive hours when the Delay Payment Rate shall apply to the whole agreed delay period.

- (f) In the event that the parties cannot reach agreement in respect of the applicable reductions in Sub-clauses 7(a), 7(b) or 7(c) above to the Delay Payment Rate or the duration of such reduction, then the issue may be referred to expert evaluation in accordance with Clause 17 (Expert Evaluation) or to arbitration or mediation pursuant to Clause 18 (Arbitration and Mediation).

8. Termination

- (a) The Company may terminate this Agreement at any time prior to commencement of mobilisation of either the Personnel or the Craft or the Equipment identified in Annex I, whichever may be the first, upon payment of the Cancellation Fee set out in Box 14.

- (b) The Contractor, with the agreement of the Company, which shall not be unreasonably withheld, may terminate this Agreement without any further liability if completion of the Services or any agreed change of work under

PART II
WRECKSTAGE 2010

Clause 4 (Change of Method of Work and/or Personnel, Craft and Equipment) hereof, utilising the Personnel, Craft and Equipment set out in Annex I, or any amendment thereto, becomes technically or physically impossible. In the event of such termination, the Contractor shall be entitled to payment of all monies due in accordance with the provisions of Boxes 9, 12 and 13.

- (c) If permission to terminate is not given by the competent authorities, the Contractor shall be paid by the Company at the Delay Payment Rate set out in Box 13 for Personnel, Craft and Equipment during any standby period, and the Company shall be liable for the Contractor's reasonable and necessary costs of continuing with the Services.

9. Delivery and/or Disposal

- (a) If applicable, the Vessel shall be accepted forthwith and taken over by the Company or its duly authorised representative at the Place of Delivery indicated in Box 8. References to delivery or the Place of Delivery shall include disposal or the Place of Disposal, if applicable.

The Place of Delivery and/or Disposal shall always be safe and accessible for the Contractor's own or hired-in craft and the Vessel to enter and operate in and shall be a place where the Contractor is permitted by governmental or other authorities to deliver and/or dispose of the Vessel.

In the event the Vessel is not accepted forthwith by the Company or delivery is prevented or delayed by action of governmental or other authorities outside the control of the Contractor, all costs necessarily incurred by the Contractor from the moment of the tender for delivery shall be for the account of the Company.

These costs shall be in addition to any delay payment as set out in Box 13.

- (b) If it is considered by the Contractor to be impossible or unsafe for the Vessel to be delivered or disposed of at the place indicated in Box 8 and the Company is unable to nominate an acceptable alternative place, the Contractor is at liberty to deliver or dispose of the Vessel at the nearest place it can reach safely and without unreasonable delay, provided delivery or disposal at such place is permitted by governmental or other authorities, and such delivery or disposal shall be deemed due fulfilment by the Contractor of this Agreement.

The Company shall reimburse the Contractor for any additional time used pursuant to this Sub-clause 9(b) at the Delay Payment Rate set out in Box 13, and shall be liable to the Contractor for any additional expenses arising under this Sub-clause.

- (c) In the event the Vessel is delivered under the control of pumps and/or compressors or other equipment the Company shall with all due dispatch arrange for their own equipment and operators to replace the Contractor's equipment and operators.

Until such replacement the Company shall pay the Contractor for the use of its equipment and operators at reasonable rates as from the day of delivery until and including the day of arrival of the equipment and personnel at the Contractor's base, plus any additional costs relating thereto and incurred by the Contractor.

- (d) If the Company fails, on completion of the Services, to take delivery of the Vessel within five (5) days of the Contractor tendering written notice of delivery or, if in the opinion of the Contractor the Vessel is likely to deteriorate, decay, become worthless or incur charges whether for storage or otherwise in excess of its value, the Contractor may, without prejudice to any other claims the Contractor may have against the Company, without notice and without any responsibility whatsoever attaching to the Contractor, sell or dispose of the Vessel and apply the proceeds of sale in reduction of the sums due to the Contractor from the Company under this Agreement. Any remaining proceeds will be refunded to the Company.

In the event that such sale or other disposal of the Vessel fails to raise sufficient net funds to pay the monies due to the Contractor under the terms of this Agreement then the Company shall remain liable to the Contractor for any such shortfall.

- (e) Reference to delivery and/or disposal of the Vessel shall include parts of the Vessel and/or cargo and/or any

PART II
WRECKSTAGE 2010

other thing emanating from the Vessel and such delivery may take place at different times and different places (see Box 8).

10. Payment

- (a) The Company shall pay the Contractor the Lump Sum set out in Box 9, which amount shall be due and payable as set out in Box 9.
- (b) Each instalment of the Lump Sum shall be fully and irrevocably earned at the moment it is due as set out in Box 9. Any other monies due under this Agreement shall be fully and irrevocably earned on a daily basis or pro rata.
- (c) All monies due and payable to the Contractor under this Agreement shall be paid without any discount, deduction, set-off, lien, claim or counterclaim.
- (d) All payments to the Contractor shall be made in the currency and to the bank account stipulated in Box 10.
- (e) If any amount payable under this Agreement has not been paid within seven (7) days of the due date, or if the security required in accordance with Clause 12 (Security) is not provided within five (5) banking days following the request by the Contractor, then at any time thereafter the Contractor shall be entitled to terminate this Agreement without prejudice to the sums already due to the Contractor and to any further rights or remedies which the Contractor may have against the Company, provided always that the Contractor shall give the Company at least three (3) working days' written notice of its intention to exercise this right.
- (f) The Contractor shall promptly invoice the Company for all sums payable under this Agreement. If any sums which become due and payable are not actually received by the Contractor within the period specified in Box 11, they shall attract interest in accordance with the rate set out in Box 11.

11. Extra Costs

The following shall be paid as and when they fall due by the respective parties as indicated in Box 12:

- (a) all port expenses, pilotage charges, harbour and canal dues and all other expenses of a similar nature levied upon or payable in respect of the Vessel and the Contractor's own or hired-in craft;
- (b) the costs of the services of any assisting tugs when reasonably deemed necessary by the Contractor or prescribed by port or other authorities;
- (c) all costs in connection with clearance, agency fees, visas, guarantees and all other expenses of such kind;
- (d) all taxes and social security charges (other than those normally payable by the Contractor in the country where it has its principal place of business), stamp duties, or other levies payable in respect of or in connection with this Agreement, any import - export dues and any customs or excise duties;
- (e) all costs incurred in obtaining and maintaining licences, approvals, authorisations or permits required to undertake and complete the Services in accordance with Clause 6 (Permits);
- (f) all costs incurred due to requirements of governmental or other authorities or unions over and above those costs which would otherwise be reasonably incurred by the Contractor in the execution of the Agreement;
- (g) all costs incurred by the Contractor in respect of portable salvage equipment, materials, or stores which are reasonably sacrificed during the disposal or other operations of the Vessel;

If any such costs are in fact paid by or on behalf of one party by the other party, the party on whose behalf the payment has been made shall reimburse the paying party on the basis of the actual cost to the paying party plus a handling charge of the percentage amount indicated in Box 12(iii) upon presentation of invoice.

Such security shall be given on one or more occasions as and when reasonably required by the Contractor.

(d) Neither the Contractor nor its servants, agents or sub-contractors shall have any liability to the Company for loss or damage of whatsoever nature sustained by the Vessel, whether or not the same is due to breach of contract, negligence or any other fault on the part of the Contractor, its servants, agents or sub-contractors.

(e) Neither party shall be liable to the other party for:

(i) any loss of profit, loss of use or loss of production whatsoever and whether arising directly or indirectly from the performance or non-performance of this Agreement, and whether or not the same is due to negligence or any other fault on the part of either party, their servants, agents or sub-contractors, or

(ii) any consequential loss or damage for any reason whatsoever, whether or not the same is due to any breach of contract, negligence or any other fault on the part of either party, their servants, agents or sub-contractors.

(i) The party seeking the evaluation shall propose three (3) experts from the persons currently on the Panel of Special Casualty Representatives maintained by the Salvage Arbitration Branch of the Corporation of Lloyd's to the other party in writing having checked that the proposed experts are available and willing to be appointed. The other party may select one of the proposed experts by responding in writing within twenty-four (24) hours. The party seeking the evaluation will then, as soon as possible (and in any event in less than twelve (12) hours) appoint the expert selected by the other party or, if none has been selected, one of the three (3) experts proposed (hereinafter "the Expert").

(ii) Both parties shall provide short written statements to the Expert setting out their arguments within forty-eight (48) hours of their acceptance of instructions and shall provide copies of their statement to the other party.

(iii) The Expert shall, within seventy-two (72) hours of receipt of written statements, advise the parties in writing of the alteration to costs or of the adjustment to the Delay Payment Rate or time lost. The Expert may also provide short reasons explaining the evaluation.

(iv) The Expert's rate of remuneration shall be the applicable rate plus bonus as set from time to time by the SCOPIC Committee for a Salvage Master. The costs of the Expert shall be paid by the party seeking the expert evaluation, but such party shall then be entitled to recover fifty per cent (50%) of the Expert's fees from the other party.

(b) If the Expert's evaluation is not agreed by both parties, the Company shall in any event make payments to the Contractor calculated in accordance with the evaluation. Such payments shall be on a provisional basis and without prejudice to the parties' rights to seek a determination in accordance with Clause 18 (Arbitration and Mediation).

PART II
WRECKSTAGE 2010

18. Arbitration and Mediation

This Clause 18 applies to any dispute arising under this Agreement.

- (a)* This Agreement shall be governed by and construed in accordance with English law and any dispute arising out of or in connection with this Agreement shall be referred to arbitration in London in accordance with the Arbitration Act 1996 or any statutory modification or re-enactment thereof save to the extent necessary to give effect to the provisions of this Clause.

The reference shall be to a sole arbitrator ("Arbitrator"), to be selected by the first party claiming arbitration from the persons currently on the Panel of Lloyd's Salvage Arbitrators with a right of appeal from an award made by the Arbitrator to either party by notice in writing to the other within twenty-eight (28) days of the date of publication of the original Arbitrator's Award.

The Arbitrator on appeal shall be the person currently acting as Lloyd's Appeal Arbitrator.

No suit shall be brought before another Tribunal, or in another jurisdiction, except that either party shall have the option to bring proceedings to obtain conservative seizure or other similar remedy against any assets owned by the other party in any state or jurisdiction where such assets may be found.

Both the Arbitrator and Appeal Arbitrator shall have the same powers as an Arbitrator and an Appeal Arbitrator under LOF 2000 or any standard revision thereof, including a power to order a payment on account of any monies due to the Contractor pending final determination of any dispute between the parties hereto.

In cases where neither the claim nor any counterclaim exceeds the sum of US\$50,000 (or such other sum as the parties may agree) the arbitration shall be conducted in accordance with the LMAA Small Claims Procedure current at the time when the arbitration proceedings are commenced.

In cases where the claim or any counterclaim exceeds the sum agreed for the LMAA Small Claims Procedure and neither the claim nor any counterclaim exceeds the sum of US\$400,000 (or such other sum as the parties may agree) the arbitration shall be conducted in accordance with the LMAA Intermediate Claims Procedure current at the time when the arbitration proceedings are commenced.

- (b)* This Agreement shall be governed by and construed in accordance with Title 9 of the United States Code and the Maritime Law of the United States and any dispute arising out of or in connection with this Agreement shall be referred to three persons at New York, one to be appointed by each of the parties hereto, and the third by the two so chosen; their decision or that of any two of them shall be final, and for the purposes of enforcing any award, judgment may be entered on an award by any court of competent jurisdiction. The proceedings shall be conducted in accordance with the rules of the Society of Maritime Arbitrators, Inc.

In cases where neither the claim nor any counterclaim exceeds the sum of US\$50,000 (or such other sum as the parties may agree) the arbitration shall be conducted in accordance with the Shortened Arbitration Procedure of the Society of Maritime Arbitrators, Inc. current at the time when the arbitration proceedings are commenced.

- (c)* This Agreement shall be governed by and construed in accordance with the laws of the place mutually agreed by the parties and any dispute arising out of or in connection with this Agreement shall be referred to arbitration at a mutually agreed place, subject to the procedures applicable there.
- (d) Notwithstanding 18(a), 18(b) or 18(c) above, the parties may agree at any time to refer to mediation any difference and/or dispute arising out of or in connection with this Agreement. In the case of a dispute in respect of which arbitration has been commenced under 18(a), 18(b) or 18(c) above, the following shall apply:
- (i) Either party may at any time and from time to time elect to refer the dispute or part of the dispute to mediation by service on the other party of a written notice (the "Mediation Notice") calling on the other party to agree to mediation.

PART II
WRECKSTAGE 2010

(ii) The other party shall thereupon within fourteen (14) calendar days of receipt of the Mediation Notice confirm that they agree to mediation, in which case the parties shall thereafter agree a mediator within a further fourteen (14) calendar days, failing which on the application of either party a mediator will be appointed promptly by the Arbitrator or such person as the Arbitrator may designate for that purpose. The mediation shall be conducted in such place and in accordance with such procedure and on such terms as the parties may agree or, in the event of disagreement, as may be set by the mediator.

(iii) If the other party does not agree to mediate, that fact may be brought to the attention of the Tribunal and may be taken into account by the Tribunal when allocating the costs of the arbitration as between the parties.

(iv) The mediation shall not affect the right of either party to seek such relief or take such steps as it considers necessary to protect its interest.

(v) Either party may advise the Arbitrator that they have agreed to mediation. The arbitration procedure shall continue during the conduct of the mediation but the Arbitrator may take the mediation timetable into account when setting the timetable for steps in the arbitration.

(vi) Unless otherwise agreed or specified in the mediation terms, each party shall bear its own costs incurred in the mediation and the parties shall share equally the mediator's costs and expenses.

(vii) The mediation process shall be without prejudice and confidential and no information or documents disclosed during it shall be revealed to the Arbitrator except to the extent that they are disclosable under the law and procedure governing the arbitration.

(Note: The parties should be aware that the mediation process may not necessarily interrupt time limits.)

(e) If Box 17 in PART I is not appropriately filled in, Sub-clause 18(a) of this Clause shall apply. Sub-clause 18(d) shall apply in all cases.

*Sub-clauses 18(a), 18(b) and 18(c) are alternatives; indicate alternative agreed in Box 17.

19. Notices Clause

(a) All notices given by either party or their agents to the other party or their agents in accordance with the provisions of this Agreement shall be in writing and shall, unless specifically provided in this Agreement to the contrary, be sent to the address for that other party as set out in Boxes 2 and 3 or as appropriate or to such other address as the other party may designate in writing.

A notice may be sent by registered or recorded mail, facsimile, electronically or delivered by hand in accordance with this Sub-clause 19(a).

(b) Any notice given under this Agreement shall take effect on receipt by the other party and shall be deemed to have been received:

(i) if posted, on the seventh (7th) day after posting;

(ii) if sent by facsimile or electronically, on the day of transmission; or

(iii) if delivered by hand, on the day of delivery.

23. General Provisions

- (a) Severability

If, in any legal proceedings, it is determined that any provision of this Agreement is unenforceable under applicable law, then the unenforceable provision shall automatically be amended to conform to that which is enforceable under the law. In any event, the validity or enforceability of any provision shall not affect any other provision of this Agreement, and this Agreement shall be construed and enforced as if such provision had not been included.

- (b) Third Party Beneficiaries

Except as specifically provided for elsewhere in this Agreement, this Agreement shall not be construed to confer any benefit on any third party not a party to this Agreement nor shall this Agreement provide any rights to such third party to enforce any provision of this Agreement.

- (c) Waiver

No benefit or right accruing to either party under this Agreement shall be waived unless the waiver is reduced to writing and signed by both the Contractor and the Company. The failure of either party to exercise any of its rights under this Agreement, including but not limited to either party's failure to comply with any time limit set out in this Agreement, shall in no way constitute a waiver of those rights, nor shall such failure excuse the other party from any of its obligations under this Agreement.
